PROFESSIONAL SUMMARY

Bachelor of Computer Applications (BCA) graduate with a strong foundation in Python programming, problem-solving and web development. Eager to start a professional journey as a Python Developer to apply technical knowledge in real-world projects, learn from industry experts, and contribute to the growth of the organization with dedication and continuous learning.

EDUCATION

Bachelor of Computer Application

2022-2025

Sailee Degree College

TECHNICAL SKILLS

- **Languages & Frameworks:** Python, java, Selenium Automation Test, Pytest, Database Testing, SQL
 - **Frameworks/Libraries:** React.js, Bootstrap.
 - **Tools:** Git, GitHub, VS Code
 - **Concepts:** Responsive Design, OOP, API Integration.
 - **Other Skills:** Cyber security, Digital Marketing
-

PROJECTS

ShoesKart Website

- ShoesKart E-commerce Website HTML, CSS, JavaScript Designed and developed a fully responsive online shoe store interface. Features included product catalog, filtering options, shopping cart functionality, and dynamic product display. Implemented modern UI/UX principles to simulate a real shopping experience. (Front-end, Backend)

Portfolio Website

- Portfolio Website HTML, CSS, JavaScript Developed a fully responsive personal portfolio website to showcase skills, education, and academic projects. Implemented smooth navigation, interactive sections, and modern design aesthetics to enhance user experience.

Weather App

- Weather App Python, OpenWeatherMap API Created a command-line weather application that fetches real-time weather data using the OpenWeatherMap API. Handled JSON responses, implemented error handling for edge cases, and presented data in a readable format.

Task Manager App

- Task Manager App React.js Built a modern to-do list web application using React.js with component-based architecture. Integrated local storage for data persistence and allowed CRUD operations for tasks with a clean UI design.

CERTIFICATE

- Python Programming - Udemy
-

ACTIVITIES

- Coding and exploring new technologies.
 - Fitness and gym Continuous self-learning.
 - Creating personal projects and improving UI/UX design understanding
-

ACTIVITIES

Actively participated in college-level athletics, including track and field events.

Demonstrated physical endurance, discipline, and leadership. Contributed to team spirit and earned appreciation for active involvement in inter- college competitions.

ADDITIONAL INFORMATION

- **Soft Skills:** Communication, teamwork, problem-solving, attention to detail.
- **Languages:** English, Hindi
- **Interests:** Exploring new technologies, coding challenges, web design, digital marketing
